**COMITÉ EJECUTIVO DEL FONDO MULTILATERAL  
PARA LA APLICACIÓN DEL  
PROTOCOLO DE MONTREAL**

Sexagésima segunda Reunión

Montreal, 29 de noviembre al 3 de diciembre de 2010

**ESTADOS DE CUENTAS FINALES DEL AÑO 2009**

1. En su 61<sup>a</sup> Reunión, el Comité Ejecutivo examinó los estados de cuentas provisionales del PNUMA para el Fondo Multilateral del año 2009 (UNEP/OzL.Pro/ExCom/61/56), que presentó el Tesorero. Los estados de cuenta financieros incluían los estados de cuentas provisionales de los organismos de ejecución para 2009. El Comité Ejecutivo decidió tomar nota de los estados de cuentas provisionales del Fondo Multilateral para el año 2009 y de que los estados de cuentas finales de dicho año serían presentados por el Tesorero al Comité en su 62<sup>a</sup> Reunión.

2. Los organismos suministraron sus estados de cuentas finales de 2009 al Tesorero a finales de septiembre de 2010, de conformidad con la fecha límite convenida con el Tesorero en el taller sobre terminología y procedimientos acordados en febrero de 2005. Dado que los estados de cuentas del PNUMA ya estaban cerrados para la fecha en que se presentaron los estados de cuentas finales de los organismos de ejecución, no hubo cambios en los estados de cuentas del Fondo Multilateral presentados al Comité Ejecutivo en la 61<sup>a</sup> Reunión. Las diferencias que se identificaron entre los estados de cuentas provisionales de 2009 de los organismos según figuran en UNEP/OzL.Pro/ExCom/61/56, cuadros 1.1 a 1.7 (adjuntos en el Anexo II), y los estados de cuentas finales de los organismos de ejecución, conforme a lo presentado al Tesorero, se reflejan en los cuadros 1 y 2 siguientes y se registrarán en los estados de cuentas del PNUMA de 2010.

Banco Mundial	974 555 526	974 555 526	0

3. El Anexo I a este documento contiene los estados de cuentas finales de 2009 del Fondo Multilateral que han sido auditados por la Junta de Auditores de Naciones Unidas.

## **INFORME DE AUDITORÍA**

4. La auditoría del PNUMA del bienio 2008-2009 se ha realizado en tres visitas en el terreno a Montreal y Ginebra, así como un examen de las transacciones y operaciones financieras en la Sede en Nairobi (Kenya). La Junta de Auditores verificó los estados de cuentas financieros e incluyó un examen general de los sistemas financieros y los controles internos, la administración y gestión de la operación de Fondos del PNUMA, incluido el Fondo Multilateral (FML).

5. El informe final de auditoría sobre los estados de cuentas financieros del PNUMA para el bienio que termina el 31 de diciembre de 2009 se ha finalizado y presentado al PNUMA e incluye la gestión administrativa y financiera del FML. A este respecto, el informe de la Junta de Auditores señala las promesas pendientes de pago al MLF desde hace varios años y la presentación de las cuentas del FML, que no indica la diferencia entre las promesas pendientes de pago hace más de 24 meses y las pendientes desde hace más de 5 años. El PNUMA explicó que las decisiones de anular las promesas pendientes de pago corresponden a las Partes. Ahora bien, los auditores han recomendado que el PNUMA considere la posibilidad de formular una política de contabilidad para el tratamiento de las promesas pendientes de pago desde hace mucho tiempo.

6. El informe de auditoría señala el hecho de que los estados financieros del FML no están consolidados con los otros fondos del PNUMA, aun cuando aparecen en los estados financieros del PNUMA. Los auditores opinan que el PNUMA debería consolidar los estados de cuentas financieros del FML con los del PNUMA o bien presentarlos por separado. A este respecto, la Junta ha recomendado que el PNUMA aclare la situación jurídica del FML y decida en consecuencia acerca de la presentación de sus estados de cuentas financieros. El PNUMA ha indicado a los auditores que tomará una decisión sobre el tema de la consolidación y que comenzará a aplicar las Normas Internacionales de Contabilidad para el Sector Público (NICSP), cuya adopción se está preparando en el régimen común de las Naciones Unidas. Hasta entonces, el PNUMA continuará con la notificación financiera actual.

7. El informe final de auditoría no contiene observación alguna sobre la administración general y financiera del FML. Tampoco contiene observación alguna sobre los servicios del PNUMA en calidad de Tesorero del Fondo.

## **RECOMENDACIONES**

8. El Comité Ejecutivo pudiera:

- a) Tomar nota de los estados de cuentas financieros auditados del Fondo al 31 de diciembre de 2009, tal como figura en el Anexo I al documento UNEP/OzL.Pro/ExCom/62/58;
- b) Tomar nota de que el informe de auditoría realizado por la Junta de Auditores de las Naciones Unidas menciona las promesas pendientes de pago desde hace mucho tiempo al Fondo Multilateral y recomienda que el PNUMA considere la posibilidad de formular una política de contabilidad para el tratamiento de las promesas pendientes de pago;
- c) Solicitar al Tesorero que señale a la atención del Comité todo cambio que el PNUMA desee introducir en la presentación de las cuentas del FML en lo que concierne a las promesas pendientes de pago desde hace mucho tiempo;

- d) Pedir al Tesorero que señale a la atención del Comité Ejecutivo toda modificación de la práctica actual de mantener separadas las cuentas del FML y las del PNUMA
- e) Pedir al Tesorero que registre en los estados de cuentas de 2010 las diferencias entre los estados de cuentas provisionales y finales de 2009 de los organismos de ejecución, tal como se recogen en los cuadros 1 y 2 del documento UNEP/OzL.Pro/ExCom/62/58.

## Annex 1
