COMITE EXECUTIF
DU FONDS MULTILATERAL AUX FINS
D'APPLICATION DU PROTOCOLE DE MONTREAL
Soixante-cinquième réunion
Bali, Indonésie, 13 – 17 novembre 2011

COMPTES FINAUX DE 2010

- 1. À sa 64^e réunion, le Comité exécutif a été saisi des comptes provisoires du Fonds multilatéral de 2010 du PNUE, soumis par le Trésorier. Les états financiers comprenaient les comptes provisoires des agences d'exécution pour 2010 et les comptes du Secrétariat du Fonds pour le même exercice. Dans sa décision 64/52 a) et b), le Comité exécutif a décidé de prendre note des comptes provisoires du Fonds multilatéral pour l'exercice 2010 et du fait que les comptes finaux de 2010 lui seraient présentés par le Trésorier à sa 65^e réunion, avec d'autres modifications s'il y a lieu.
- 2. Les agences ont remis leurs comptes finaux de 2010 au Trésorier avant la fin septembre 2011, dans les délais convenus avec le Trésorier à l'atelier sur la terminologie et les procédures communes. Comme les comptes de 2010 du PNUE étaient déjà fermés au moment de la réception des comptes finaux des agences d'exécution, aucun changement n'a été apporté aux comptes du Fonds multilatéral présentés au Comité exécutif à sa 64^e réunion. Les différences relevées entre les comptes provisoires de 2010 des agences d'exécution, présentés dans les tableaux 1.1 à 1.7 du document UNEP/OzL.Pro/ExCom/64/51 (Annexe II), et leurs comptes finaux soumis au Trésorier, sont indiquées dans les tableaux 1 et 2 ci-après et seront consignées dans les comptes de 2011.

Banque mondiale	998 158 038	998 158 038	0

3. Suite à la décision 64/52 d) du Comité exécutif, demandant au Trésorier de reclasser la perte attribuable au mécanisme de taux de change fixe (FERM) d'une valeur approximative de 6,1 millions \$US, inscrite antérieurement comme une dépense du Secrétariat dans le tableau 1.3 des états financiers du Fonds, une réunion entre le PNUE, l'Office des Nations Unies à Nairobi (ONUN) et le représentant du

Secrétariat a été organisée le 29 septembre 2011, en marge de la Réunion de gestion administrative tenue à Nairobi. Il a été convenu que les différences de taux de change liées spécifiquement au FERM seront inscrites dans les comptes du PNUE avec un code d'activité identificateur pour distinguer d'une part, les pertes/gains du FERM résultant des versements des engagements en monnaies nationales, et d'autre part, les différences de taux de change résultant d'autres opérations. Les différences de taux de change du FERM seront présentées dans un poste distinct dans la section des revenus de l'état financier du Fonds. Les autres différences de taux de change non liées au FERM continueront d'être inscrites dans les dépenses d'exploitation du Secrétariat du Fonds.

4. La rencontre entre le PNUE, l'ONUN et le représentant du Secrétariat a été aussi l'occasion d'examiner la question des remboursements en espèces provenant des soldes des projets bilatéraux achevés ou transférés qui sont actuellement classés comme revenus divers du Fonds, alors qu'il est évident qu'ils sont des versements en espèces promis par les Parties contributrices. Il a été convenu que ces remboursements seront inclus dans les tableaux de contributions au Fonds, dans la colonne des « Corrections des exercices précédents » des états financiers. Il a été noté que les projets bilatéraux approuvés ne sont pas comptabilisés dans les états financiers du PNUE, parce que les activités bilatérales ne relèvent pas de la gestion administrative et financière du PNUE. En réponse aux réserves du Secrétariat devant une telle pratique, il a été expliqué que dans le cas des activités bilatérales, les fonds de ces projets ne sont pas utilisés suivant les politiques et les procédures du PNUE sur la gestion financière des projets, ni selon les exigences de compte rendu faisant appel aux outils applicables aux projets du PNUE. En outre, le système comptable applicable aux dépenses des activités bilatérales n'est pas le même pour les dépenses du PNUE. Les certificats d'audit, obligatoires pour les dépenses des projets administrés par le PNUE, ne sont pas applicables aux projets bilatéraux. C'est pourquoi, les données relatives aux activités bilatérales n'étant pas disponibles dans le système comptable du PNUE, elles ne peuvent être incluses dans les états financiers du PNUE.

RAPPORT D'AUDIT

5. Le rapport d'audit couvrant l'année fiscale 2010 se terminant le 31 décembre 2010 doit encore être examiné par le PNUE. Les observations et les recommandations pertinentes au Fonds multilatéral seront soumises au Comité exécutif dans le rapport final.

SUIVI DE LA DÉCISION 62/66 d) DU COMITÉ EXÉCUTIF SUR LA VENTILATION INDICATIVE DES HONORAIRES ANNUELS DE 500 000 \$US POUR LA FOURNITURE DE SERVICES DE TRÉSORERIE.

6. Comme suite à la décision 62/66 d) qui demandait au Trésorier d'inclure dans les comptes du Secrétariat du Fonds une ventilation indicative de ses honoraires annuels de 500 000 \$US pour la fourniture de services de trésorerie, le Trésorier a présenté une ventilation indicative en supplément aux comptes du Fonds pour 2010 seulement, illustrée dans le tableau 3 ci-après:

<u>Tableau 3</u>

Ventilation indicative des honoraires annuels du Trésorier pour l'exercice 2010

	(\$US)
Coût de personnel	241 400
Déplacements officiels	39 986
Différence entre P5 & P4	13 881
Frais généraux de soutien	166 500
Imprévus	38 233
TOTAL	500 000

SUIVI DE LA DÉCISION 60/49 b)

- 7. Par sa décision 60/49 b), le Comité exécutif avait décidé de demander au Secrétariat de continuer à surveiller les coûts de personnel pour estimer le taux d'augmentation approprié pour les années futures et de lui faire rapport lors de la présentation des comptes de 2010 du Fonds, à sa 65^e réunion en 2011. Le document UNEP/OzL.Pro/ExCom/65/58, portant sur le budget révisé de 2012, le budget approuvé de 2013 et le budget proposé pour 2014 du Secrétariat du Fonds, contient le rapport du Secrétariat sur la surveillance des coûts de personnel et l'évaluation du taux d'augmentation approprié pour les années à venir.
- 8. L'Annexe I au présent document contient les comptes finaux de 2010 du Fonds multilatéral, qui ont été vérifiés par le Comité des commissaires aux comptes de l'ONU. L'Annexe II présente les tableaux 1.1 à 1.7, qui représentent les comptes du Secrétariat et les états financiers provisoires des agences d'exécution.

RECOMMANDATIONS

- 9. Le Comité exécutif est invité :
 - a) à prendre note de l'état financier apuré du Fonds multilatéral au 31 décembre 2010, présenté dans le document UNEP/OzL.Pro/ExCom/65/56;
 - b) à prendre note des mesures prises pour comptabiliser la perte attribuable au mécanisme de taux de change fixe inscrite précédemment dans les dépenses du Secrétariat, sous une rubrique distincte des comptes du Fonds, et du fait que toute perte ou tout gain au titre du mécanisme sera inscrit dans les comptes du PNUE avec un code d'identification;
 - à prendre note de la mesure prise concernant le remboursement en espèces des soldes des projets bilatéraux au titre des contributions des exercices antérieurs, plutôt que comme revenus divers;
 - d) à prendre note de la ventilation indicative des honoraires annuels de 500 000 \$US du Trésorier, fournie par le Trésorier comme supplément aux comptes de 2010 uniquement;

- e) à noter que le document UNEP/OzL.Pro/ExCom/65/58 portant sur le budget révisé de 2012, le budget approuvé de 2013 et le budget proposé pour 2014, contient le rapport du Secrétariat sur la surveillance des coûts de personnel et l'évaluation du taux d'augmentation approprié pour les années à venir;
- f) à noter que le rapport d'audit final de l'état financier de 2010 pour l'exercice se terminant le 31 décembre 2010 attend encore l'examen du PNUE;
- g) à demander au Trésorier de consigner, dans les comptes de 2011, les différences entre les états financiers provisoires des agences et leurs comptes finaux de 2010, telles que présentées dans les tableaux 1 et 2 du présent document.
