COMITE EXECUTIF
DU FONDS MULTILATERAL AUX FINS
D'APPLICATION DU PROTOCOLE DE MONTREAL
Soixante-quatorzième réunion
Montréal, 18 – 22 mai 2015

ÉTAT DES CONTRIBUTIONS ET DES DÉCAISSEMENTS**Rapport du Trésorier**

1. Ce document fournit des informations sur l'état du Fonds¹, selon les registres du PNUE au 17 avril 2015. L'Annexe I au présent document contient les tableaux suivants :

- a) Tableau 1 : État du Fonds de 1991 à 2015
- b) Tableau 2 : Récapitulatif des contributions et autres revenus, 1991-2015
- c) Tableau 3 : Récapitulatif des contributions, 1991-2015
- d) Tableau 4 : État des contributions pour 2015
- e) Tableau 5 : Récapitulatif des contributions pour 2012-2014
- f) Tableau 6 : État des contributions pour 2014
- g) Tableau 7 : État des contributions pour 2013
- h) Tableau 8 : État des contributions pour 2012
- i) Tableau 9 : Récapitulatif des contributions pour 2009-2011
- j) Tableau 10 : État des contributions pour 2011
- k) Tableau 11 : État des billets à ordre²
- l) Tableau 12 : Journal des billets à ordre², 2004-2015
- m) Tableau 13 : Calendrier d'encaissement des billets à ordre en souffrance

¹ Le Comité exécutif a demandé que l'explication des méthodes et des hypothèses utilisées par le Trésorier soit publiée sur l'Intranet (décision 40/2b)i)). Ce dossier des hypothèses et des méthodes, publié pour la première fois dans le rapport du Trésorier UNEP/OzL.Pro/ExCom/39/3/Rev.1, est encore à la disposition des membres du Comité exécutif aux fins de référence, dans la zone d'accès restreint du site Internet du Fonds multilatéral.

² Le Comité exécutif a demandé au Trésorier de distribuer au Secrétariat et aux agences d'exécution, avant chaque réunion du Comité exécutif, un journal indiquant la date à laquelle les billets à ordre ont été transférés, reçus et encaissés (décision 45/59f)i)).

État du Fonds

2. Au 17 avril 2015, le solde du Fonds s'élevait à 91 768 488 \$US, après avoir pris en compte tous les financements approuvés par le Comité exécutif jusqu'à la 73^e réunion inclusivement.

3. La 26^e Réunion des Parties au Protocole de Montréal a donné pour instructions au Trésorier de prolonger le mécanisme à taux de change fixe pour la période 2015-2017³ (décision XXVI/11). Jusqu'à présent, dix pays ont choisi d'utiliser le mécanisme à taux de change fixe, tel qu'indiqué à l'Annexe II au présent document. Les informations sur le mécanisme à taux de change fixe ont été mises à jour et reflètent un gain de 14 483 417 \$US imputable au mécanisme depuis son instauration.

Suivi de la décision 72/1c)⁴

4. D'après le réapprovisionnement du Fonds multilatéral pour 2015-2017⁵, la contribution annuelle du gouvernement de l'Allemagne s'élève à 10 530 337 Euros. De ce montant, 2 106 067 Euros (soit 20 pour cent de la contribution annuelle) seront versés au titre de la coopération bilatérale (projets) et 8 424 270 Euros sous forme de billets à ordre (contribution en espèces). Le gouvernement de l'Allemagne a remis au Trésorier le calendrier suivant pour le paiement des billets à ordre :

Dépôt des billets	Encaissement (en Euros)				
	2015	2016	2017	2018	Total
Billet de 2015	6 318 231	2 106 077			8 424 308
Billet de 2016		4 212 154	2 106 077	2 106 077	8 424 308
Billet de 2017			4 212 154	4 212 154	8 424 308
Total	6 318 231	6 318 231	6 318 231	6 318 231	25 272 924

5. Constatant que 25 pour cent du total des contributions seront encaissés en 2018 (soit en dehors de la période triennale 2015-2017), le Trésorier et le Secrétariat ont attiré l'attention du gouvernement de l'Allemagne sur les discussions lors de la 72^e réunion lorsque « les participants ont été informés des discussions officieuses et officielles qui ont eu lieu au sein du gouvernement de l'Allemagne en vue d'accélérer l'encaissement des billets à ordre de ce pays. Toutefois, pour la période triennale en cours, aucun changement ne pouvait être apporté car le Parlement allemand avait approuvé ses contributions dans le cadre de sa planification fiscale à moyen terme. Pour la prochaine période triennale, il a été vivement suggéré que la contribution allemande s'appuie sur un calendrier d'encaissement qui permettrait l'utilisation des contributions durant la période triennale, pour faire face au roulement accéléré des liquidités au sein du Fonds multilatéral »⁶. Par conséquent, le Comité exécutif a décidé, *entre autres*, « d'exhorter le gouvernement de l'Allemagne à continuer d'envisager l'encaissement accéléré de ses billets à ordre durant la période de réapprovisionnement » (décision 72/1c)).

6. Lors de communications ultérieures avec le Trésorier, le ministère fédéral de la coopération économique et du développement du gouvernement de l'Allemagne a indiqué qu'à l'issue de discussions internes avec les autorités concernées, il s'avérait impossible d'envisager d'autres réductions des délais d'encaissement des billets à ordre, de quatre à trois ans, durant la période triennale en cours. Toutefois, le

³ La décision XXVI/11 stipule que les Parties choisissant de verser leurs contributions au Fonds multilatéral pour l'application du Protocole de Montréal en devises nationales calculeront le montant de leurs contributions sur la base du taux de change moyen pratiqué par l'Organisation des Nations Unies pendant la période de six mois commençant le 1^{er} janvier 2014. Les Parties autorisées à utiliser le mécanisme à taux de change fixe sont priées d'aviser le Trésorier de leur intention de le faire avant la 75^e réunion.

⁴ Le Comité exécutif a exhorté l'Allemagne à continuer d'envisager l'encaissement accéléré de ses billets à ordre durant la période de réapprovisionnement.

⁵ Décision XXVI/10.

⁶ Paragraphe 25 du document UNEP/OzL.Pro/ExCom/72/47.

gouvernement s'est engagé à adapter le calendrier d'encaissement durant la période triennale en cours pour la période de réapprovisionnement de 2018-2020.

Mesures concernant les contributions en souffrance

7. Le Trésorier a envoyé des factures de rappel en janvier 2015 à toutes les Parties ayant des contributions promises en souffrance⁷ pour les en informer et les rappeler à leurs obligations. Au 17 avril 2015, quatorze Parties ont versé leurs contributions pour 2015 en totalité ou partie, soit 35 pour cent des versements par rapport à la totalité des contributions promises pour 2015. Suite à la décision 41/2, la liste des contributions en souffrance de certains pays à économie en transition sera disponible sur demande.

8. Suite à la décision 73/1c)⁸, le Trésorier, en consultation avec le Secrétariat, a poursuivi ses discussions avec les représentants du Saint-Siège et du gouvernement du Kazakhstan au sujet de leurs contributions respectives au Fonds en souffrance. Ces discussions ont conduit au versement complet des contributions promises pour la période triennale 2012-2014 par le Saint-Siège et au versement des contributions promises pour 2001 et 2002 par le gouvernement du Kazakhstan.

Recommendations

9. Le Comité exécutif pourrait souhaiter :

- a) Prendre note du rapport du Trésorier sur l'état des contributions et des décaissements ainsi que des informations sur les billets à ordre et sur les pays qui ont choisi d'utiliser le mécanisme à taux de change fixe pour la période triennale 2015-2017, contenus dans le document UNEP/OzL.Pro/ExCom/74/3;
- b) Prendre note avec satisfaction des versements effectués par le Saint-Siège et par le gouvernement du Kazakhstan au Fonds multilatéral, tels qu'indiqués à l'Annexe I au présent document;
- c) Inciter toutes les Parties autorisées à utiliser le mécanisme à taux de change fixe, à aviser le Trésorier de leur intention de le faire d'ici la 75^e réunion;
- d) Exhorter toutes les Parties à verser l'intégralité de leurs contributions au Fonds multilatéral dans les meilleurs délais possibles; et
- e) Prendre note que le gouvernement de l'Allemagne a été en mesure de réduire le calendrier de versement de ses billets à ordre pour la période de réapprovisionnement de 2015-2017, de cinq à quatre ans, et que le gouvernement s'engage à adapter son calendrier d'encaissement durant la période triennale en cours pour la période de réapprovisionnement de 2018-2020.

⁷ En réponse à la décision XI/6 paragraphe 7 (exhortant les Parties à s'efforcer de verser leurs contributions aussitôt que possible en début d'année) ; XVII/41 paragraphe 5 (demander instamment aux Parties de verser aussitôt que possible l'intégralité de leurs contributions au Fonds multilatéral) et XVI/37 (prier instamment ces Parties qui n'ont jamais versé leurs contributions au Fonds multilatéral ou n'en ont versé qu'une partie, inférieure au montant de leur contribution de s'en acquitter dès que possible).

⁸ De charger la Trésorière de poursuivre, en consultation avec le Secrétariat du Fonds, ses entretiens avec les représentants du Saint-Siège et du gouvernement du Kazakhstan au sujet de leurs contributions en souffrance au Fonds multilatéral et d'en rendre compte au Comité exécutif à sa 74^e réunion.

NB: (*) The bilateral assistance recorded for Australia and Canada was adjusted following approvals at the 39th Meeting and taking into consideration a reconciliation carried out by the Secretariat through the progress reports submitted to the 40th Meeting to read US \$1,208,219 and US \$6,449,438 instead of US \$1,300,088 and US \$6,414,880 respectively.

(**) In accordance with decisions VI/5 and XVI/39 of the Meeting of the Parties to the Montreal Protocol, Turkmenistan has been reclassified as operating under Article 5 in 2004 and therefore its contribution of US \$5,764 for 2005 should be disregarded.

(***) Amount netted off from outstanding contributions and are shown here for records only.
