Before paragraph 18, **add** “Iran (Domestic refrigeration) (US \$10,000)” following the sub-title, “Iran (Commercial refrigeration) (US \$20,000)”.

Delete “10,000” and **replace with** “Defer” in the “Amount Recommended” column of Table 1 for Morocco, Foam Rigid **and move entry from** “Project Preparation Requests Recommended for Blanket Approval” section in Table 1 **to** “Project Preparation Requests Recommended for Deferral” section.

Add following paragraph 20:

Morocco (Rigid foam) (US \$10,000)

20 (bis) Decision 30/23 (b) requires that when project preparation requests are submitted for a country where the Executive Committee had already approved projects to phase out more than 80 per cent of the country's baseline, the Implementing Agency should provide a clear delineation of remaining consumption in all sectors.

20 (ter) The Secretariat recommends deferral of this request until the requisite information is provided.
