EXECUTIVE COMMITTEE OF  
THE MULTILATERAL FUND FOR THE  
IMPLEMENTATION OF THE MONTREAL PROTOCOL  
Thirty-sixth Meeting  
Montreal, 20-22 March 2002

Addendum

**PRODUCTION SECTOR**

Part I: Documents for the Meeting of the Subgroup on the Production Sector:

- Request for authorization to carry out technical audit of the CFC Production Sector in Venezuela.

This addendum is issued to provide additional information submitted by the Government of Venezuela.

**Add** the following on page 5 after paragraph 3:

4. In response to the request from the Secretariat, the Government of Venezuela submitted information on a draft sector plan for the gradual CFC production closure at PRODUVEN (attached as Annex III), the only CFC producer in the country. The Government advised that the draft plan might be revised during project preparation.
