EXECUTIVE COMMITTEE OF
THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Forty-ninth Meeting
Montreal, 10-14 July 2006

STATUS OF CONTRIBUTIONS AND DISBURSEMENTS

The Status of the Fund as at 7 July 2006

Report from the Treasurer

1. The tables in the following pages provide information on the Status of the Fund as recorded at UNEP as at **7 July 2006**. At that date, the fund balance stood at **US \$26,672,599**. This is the net balance after taking into account all the funds approved by the Executive Committee, up to and including the 48th Meeting. However during the preparation of this document, and up to 9 June 2006, for the first time in the history of the Multilateral Fund the status of the fund showed a negative balance of the magnitude of US \$3,907,245, representing 23.68% payment against 2006 total pledges. This has been reversed by the latest deposit from the Government of Japan of US \$29,362,667.

2. The Parties should recall the importance of decision XI/6 paragraph 7 of the 11th Meeting of the Parties which urges “Parties” to “strive to pay their contributions as early in the calendar year as possible and not later than 1 June of each year” and that “Parties unable to make their contributions by 1 June should notify the Treasurer as to when during the calendar or fiscal year their payment will be made, but contributing Parties should strive to pay their contributions no later than 1 November of that year.” Parties should also recall Decision XVII/41 paragraph 5 which urged “Parties to pay their contributions to the Multilateral Fund in full and as early as possible in accordance with paragraph 7 of decision XI/6”.

Pre-session documents of the Executive Committee of the Multilateral Fund for the Implementation of the Montreal Protocol are without prejudice to any decision that the Executive Committee might take following issue of the document.

For reasons of economy, this document is printed in a limited number. Delegates are kindly requested to bring their copies to the meeting and not to request additional copies.

3. In Decision XV1/37 taken by the Parties at their 16th Meeting, it was noted that some Parties not operating under paragraph 1 of Article 5 have never paid their contributions to the Multilateral Fund or have done so at an amount inferior to one annual contribution. The Meeting of the Parties urged those Parties to pay their outstanding contributions to the Multilateral Fund as soon as possible, in view of the current compliance needs of Parties operating under Article 5 of the Montreal Protocol.
4. The Treasurer dispatched notices early this year to all Parties advising of pledged contributions for 2006 and reminding them of their obligation. In accordance with Decision 48/1 (d) of the last Executive Committee meeting, the Treasurer sent out on 2 May 2006 a second dispatch of invoices for outstanding pledges. As at **7 July 2006**, **twenty-one** Parties have paid their contributions either in full or partially, representing **45.68%** of payments against total 2006 pledges. As a follow up to decision 41/2, the list of outstanding contributions for certain countries with economies in transition will be available upon request.
5. Information on the FERM has been updated and reflects a gain due to the FERM of **US \$11,468,684** since the inception of the mechanism.
6. Paragraphs 1 and 2 of decision XVII/41 of the Meeting of the Parties “direct the Treasurer to extend the fixed-exchange-rate mechanism for a further trial period of three years”. According to the same decision, “Parties choosing to pay in national currencies will calculate their contributions based on the average United Nations exchange rate for the six-month period commencing 1 July 2004”.
7. Recalling Decision XIV/40 of the Fourteenth Meeting of the Parties “that no party should change the currency selected for its contribution in the course of the triennium period” and Executive Committee decision 32/2, paragraph 13 (c) to “urge Parties eligible to use the fixed exchange rate mechanism to inform the Treasurer by the Thirty-third Meeting of the Executive Committee [first meeting of 2003 to 2005 triennium] of their intention to do so”, the Treasurer sent reminders to Parties requesting those who had not done so to indicate whether they had chosen to make payments using the FERM. So far, only **14** replies have been received.
8. In line with Executive Committee decision 48/1 (c), the list of the **eleven** countries which confirmed they would be using the FERM is attached to this report as Annex 1.
9. In response to decision 45/59 (f) (i) requesting the Treasurer “to circulate to the Secretariat and implementing agencies prior to each Executive Committee meeting, a ledger indicating when promissory notes are transferred, received and encashed”, and to advise on the status of Promissory Notes, two tables relating to promissory notes as at **7 July 2006** have been added to the present report.
10. In order to improve the cash flow position of the Fund, the Treasurer sent out on 4 May 2006 letters to the four Parties who had promissory notes which are yet to be encashed requesting them to encash all the notes outstanding as at 31 December 2005 as soon as possible. So far no response has been received and reminders were issued on 2 June 2006.

11. The present report on the Status of the Fund for the 49th Meeting of the Executive Committee is abbreviated to ten schedules. It contains the following tables:

12. Through decision 40/2 paragraph (b) item (i), the Executive Committee at its 40th Meeting requested that the explanation of the methodology and assumptions being used by the Treasurer be made available through the intranet. This record of assumptions and methodology first published in the Treasurer's report document UNEP/OzL.Pro/Excom/39/3/Rev.1 is still available for reference by Executive Committee members on the Multilateral Fund intranet.

RECOMMENDATIONS

13. The Executive Committee may wish to:

- (a) Note the Report of the Treasurer on the Status of Contributions and disbursements as contained in UNEP/OzL.Pro/Excom/49/3;
- (b) Request the Treasurer to provide information for the 50th meeting of the Executive Committee as to when Parties unable to make their contributions by 1 June would make their payments in line with Decision XI/6 paragraph 7 of the 11th Meeting of the Parties;
- (c) Note with concern, that US \$95,637,792 in promissory notes has not been encashed and represents approximately two thirds of the Fund's annual budget;
- (d) Note with concern that no feedback was provided to the Treasurer to his request to accelerate the encashment of promissory notes;

- (e) Urge countries holding promissory notes to take necessary action to accelerate their encashments before the 50th Meeting of the Executive Committee; and
- (f) Note the list of countries opting to use the fixed-exchange-rate mechanism facility in making their contributions to the Fund for the triennium 2006 – 2008 as at 7 July 2006 as per Annex I to this document.
