EXECUTIVE COMMITTEE OF
THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Fifty-fourth Meeting
Montreal, 7 - 11 April 2008

STATUS OF CONTRIBUTIONS AND DISBURSEMENTS

The Status of the Fund as at 7 March 2008

Report from the Treasurer

1. The tables on the following pages provide information on the Status of the Fund as recorded at UNEP as of 7 March 2008. At that date, the fund balance stood at US \$84,352,512. This is the net balance after taking into account all the funds approved by the Executive Committee, up to and including the 53rd Meeting.
2. The Parties should recall the importance of decision XI/6 paragraph 7 of the 11th Meeting of the Parties which urges “Parties” to “strive to pay their contributions as early in the calendar year as possible and not later than 1 June of each year” and the “Parties unable to make their contributions by 1 June should notify the Treasurer as to when during the calendar or fiscal year their payment will be made, but contributing Parties should strive to pay their contributions no later than 1 November of that year.” Parties should also recall Decision XVII/41 paragraph 5 which urged “Parties to pay their contributions to the Multilateral Fund in full and as early as possible in accordance with paragraph 7 of decision XI/6”.
3. In Decision XVI/37 taken by the Parties at their 16th Meeting, it was noted that some Parties not operating under paragraph 1 of Article 5 have never paid their contributions to the Multilateral Fund or have done so at an amount inferior to one annual contribution. The Meeting

Pre-session documents of the Executive Committee of the Multilateral Fund for the Implementation of the Montreal Protocol are without prejudice to any decision that the Executive Committee might take following issuance of the document.

For reasons of economy, this document is printed in a limited number. Delegates are kindly requested to bring their copies to the meeting and not to request additional copies.

of the Parties urged those Parties to pay their outstanding contributions to the Multilateral Fund as soon as possible, in view of the current compliance needs of Parties operating under Article 5 of the Montreal Protocol. The Executive committee may wish to note that one Party falling into this category (Ukraine) has now paid its contributions in full for the years 2006 and 2007. However in line with the UN accounting convention the practice in place is to post such payments to back years in cases where there are arrears.

4. The Treasurer dispatched notices early in January 2008 to all Parties advising of pledged contributions for 2008 and reminding them of their obligation. As at **7 March 2008**, **ten** Parties have paid their 2008 contributions either in full or partially, representing **5.55%** of payments against total 2008 pledges. In addition, **six** Parties have made payments towards the settlement of their pre-2008 outstanding pledges. As a follow up to decision 41/2, the list of outstanding contributions for certain countries with economies in transition will be available upon request.

5. Information on the FERM has been updated and reflects a gain due to the FERM of **US \$32, 049, 460** since the inception of the mechanism.

6. Paragraphs 1 and 2 of decision XVII/41 of the Meeting of the Parties “direct the Treasurer to extend the fixed-exchange-rate mechanism for the further trial period of three years”. According to the same decision, “Parties choosing to pay in national currencies will calculate their contributions based on the average United Nations exchange rate for the six-month period commencing 1 July 2004”.

7. Pursuant to Executive Committee decision 32/2, paragraph 13 (c) which urged “Parties eligible to use the fixed exchange rate mechanism to inform the Treasurer by the Thirty-third meeting of the Executive Committee, (first meeting of 2003 to 2005 triennium), of their intention to do so”, countries that have not made their contributions for 2008 and have not notified the Treasurer in respect of their preference on the usage of the FERM should note that the deadline for such a notification was the first meeting of the replenishment period. In line with Executive committee decision 48/1 (c), the list of the **sixteen** countries which confirmed they would be using the FERM is attached to this report as Annex 1.

8. Further to Decision XIX/19 of the Nineteenth Meeting of the Parties to the Montreal Protocol held in Montreal from 19-21 September 2007, Romania assumed the obligations of a Party not operating under paragraph 1 of Article 5 of the Protocol from 1 January 2008. As a result, Romania has been included in the list of Parties making pledged contributions to this Fund with effect from 1 January 2008.

9. In response to decision 45/59 (f) (i) requesting the Treasurer “to circulate to the Secretariat and implementing agencies prior to each Executive Committee meeting, a ledger indicating when promissory notes are transferred, received and encashed”, and to advise on the status of Promissory Notes, two tables relating to promissory notes as at **7 March 2008** have been added to the present report. Also included is a third table which provides information on the period of encashment of outstanding promissory notes.

10. The present report on the Status of the Fund for the 54th Meeting of the Executive Committee is abbreviated to ten schedules. It contains the following tables:

- (a) Table 1: Status of the Fund from 1991 to 2008;
- (b) Table 2: 1991 – 2008 Summary Status of Contributions and Other Income;

- (i) Table 9: 2004 – 2008 Ledger of Promissory Notes as at 7 March 2008.
- (j) Table 10: Outstanding Promissory Notes Schedule of encashment.

11. Through decision 40/2 paragraph (b) item (i), the Executive Committee at its 40th Meeting requested that the explanation of the methodology and assumptions being used by the Treasurer be made available through the intranet. This record of assumptions and methodology, first published in the Treasurer's report document UNEP/OzL.Pro/Excom/39/3/Rev.1, is still available for reference by the Executive Committee members on the Multilateral Fund intranet.

RECOMMENDATIONS

12. The Executive Committee may wish :

- (a) To note the report of the Treasurer on the status of contributions and disbursements and the information on promissory notes as contained in UNEP/OzL.Pro/ExCom/54/3 and
- (b) To urge all Parties to pay their contributions to the Multilateral Fund in full and as early as possible, considering that this is the last year of the current replenishment period.
