Submission of a demonstration project for disposal of unwanted ODS (phase I) for Mexico

28 (bis). UNIDO, on behalf of the Government of Mexico and the Government of France as co-implementing agency, submitted to the 60th Meeting a “Demonstration project for disposal of unwanted ODS (phase I)”. This project is described in document UNEP/OzL.Pro/ExCom/60/34/Add.1 and has been brought before the Executive Committee for individual consideration. The document refers to the special funding facility and is therefore related to the content of the policy paper on “Incentives associated with Multilateral Fund climate impact indicator and a Special Funding Facility (decisions 59/45(b) and 59/48)” (document UNEP/OzL.Pro/ExCom/60/50) to be discussed under Agenda item 11.
