IMPLEMENTATION OF THE MONTREAL PROTOCOL
Sixty-first Meeting
Montreal, 5-9 July 2010

Corrigendum

OVERVIEW OF ISSUES IDENTIFIED DURING PROJECT REVIEW

This document is issued to:

- **Replace** paragraphs 2 and 11 with the following:

2. Bilateral and implementing agencies submitted 107 funding requests, including new multi-year agreements, tranches of approved multi-year agreements and projects and activities, amounting to US \$51,380,943, including agency support costs where applicable, as submitted. Following the project review process by the Secretariat, 51 projects and activities totalling US \$4,055,899 are recommended for blanket approval; 28 projects and activities (consisting of 17 non-investment projects contained in the bilateral cooperation and work programme amendments documents, and 11 investment and demonstration projects) totalling US \$23,984,712 are being forwarded for individual consideration by the Executive Committee; and 26 projects and activities totalling US \$13,539,449 were withdrawn by the relevant agencies. The Secretariat recommends that one project in UNEP's work programme totalling US \$73,450 (as submitted) should not be approved. Furthermore the Secretariat did not submit one investment project for the Syrian Arab Republic (UNIDO) totalling US \$1,913,921 as submitted, as the proposal did not contain the information or components necessary for the submission to be considered as potentially approvable (decision 50/14¹). At the time of the preparation of this document, the relevant implementing agency had not agreed to withdraw the project.

¹ "(a) Not to include in meeting documentation proposals for projects and activities that, by the submission deadline for each meeting, did not contain the information or components necessary for the submission to be considered as potentially approvable; (b) to provide the Executive Committee with a list of all proposals received but not included in meeting documentation, together with the reasons for non-inclusion".

11. A total of 28 projects and activities amounting to US \$31,521,055 as submitted and US \$23,984,712 after the review by the Secretariat, are proposed for individual consideration. The issues associated with non-investment projects are presented in the bilateral cooperation document (UNEP/OzL.Pro/ExCom/61/22/Rev.1) and in the relevant work programme amendments of the implementing agencies (UNEP/OzL.Pro/ExCom/61/23 for UNDP; UNEP/OzL.Pro/ExCom/61/24 for UNEP; UNEP/OzL.Pro/ExCom/61/25 for UNIDO and UNEP/OzL.Pro/ExCom/61/26 for the World Bank).
