THE MULTILATERAL FUND FOR THE
IMPLEMENTATION OF THE MONTREAL PROTOCOL
Forty first Meeting
Montreal, 17 -19 December 2003

Corrigendum

PROJECT PROPOSAL: MALAYSIA

Replace paragraph 16 **with** the following:

16. Subsequent to the dispatch of meeting documents to members of the Executive Committee, UNDP informed the Secretariat that it proposed to defer the proposal for the technology transfer programme for phase-out of remaining non-QPS uses in Malaysia, since some of the issues raised by the Secretariat during the project review remain under discussion with relevant authorities in Malaysia. UNDP also pointed out that prior to re-submitting a revised project proposal, UNDP will assist the Government to further clarify with the Ozone Secretariat issues related to QPS and non-QPS MB applications. The advice and assistance of UNEP's CAP programme will also be solicited in this regard.

Delete paragraph 17.
